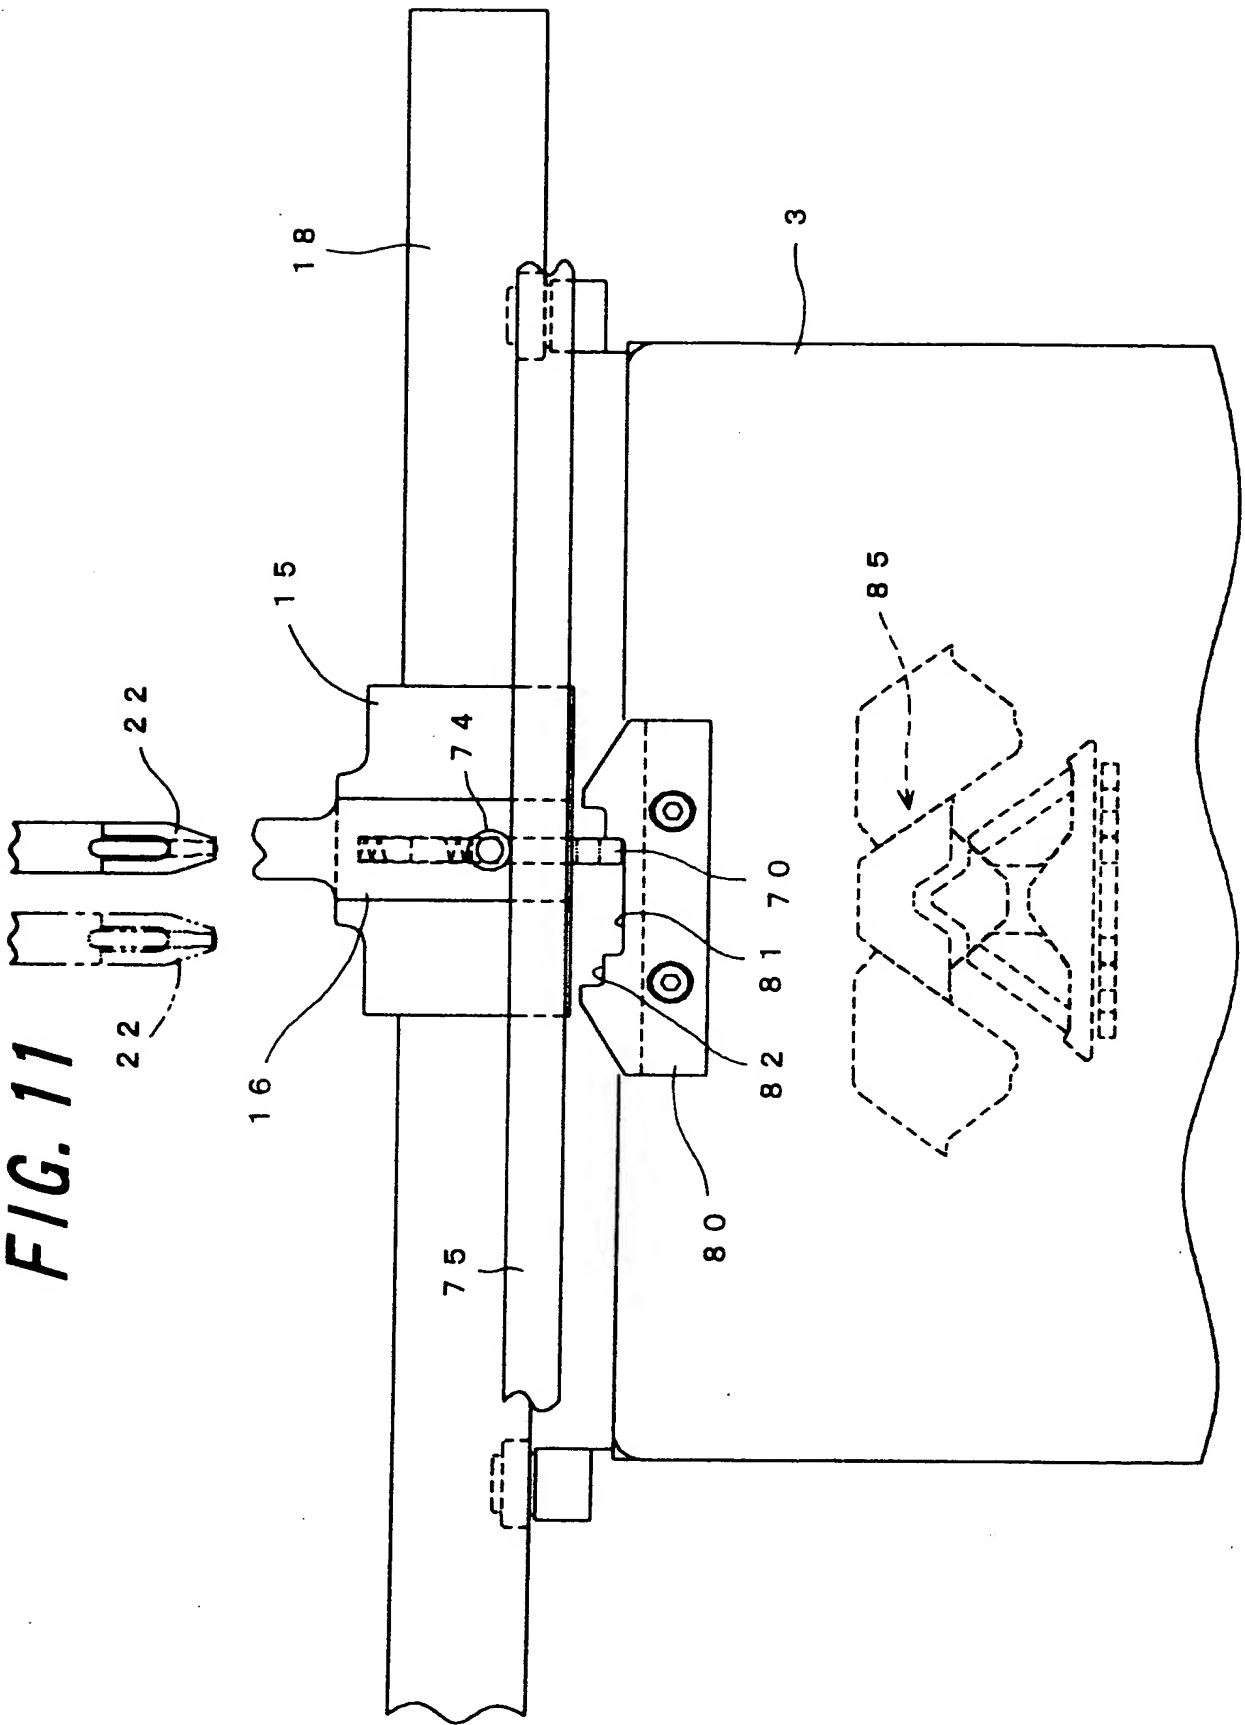

FIG. 12

FIG. 12 is a cross-sectional view of a mechanical assembly. It features a main housing (3) which contains several internal components labeled 80, 81, 70, and 82. A shaft (14) passes through the center of the assembly, passing through a series of nested sleeves or bushings labeled 16, 15, and 74. The shaft has a central feature labeled 22. The shaft is supported by bearings or bushings labeled 18. A dashed line indicates a hidden part of the shaft labeled 75. An inset at the top left provides a detailed view of the central feature 22.
